NOTES AND ORDERS.

According to the curricula of studies for the pathasalas approved in G.O. dated 26.6.09 the teaching of prayoga in Sāma Veda and Sukla Yajurveda has to be provided for. The classes in this subject were not opened till now for want of funds and the pathasala Committee hesitated to press for additional grants till now on account of the depression. The committee now feel that the

seeing these classes is great and important and hence they have come forward with proposal to be sanctioned at least for one year to begin with.

(2) The Mangrai commissioner has stated that there does not seem to be much demand for study of Sama Veda prayoga at present and he has therefore recommended sanction to open Sukla yajurveda prayoga class only for one year to begin with. But the committee have stated that though the numerical strength following the Suklas in question is very small yet these branches are as important as the other Suklas and they are strongly of opinion that the premier institution (the Veda pathasala) in the State established exclusively for the study of Vedas and prayogas should provide for the teaching of prayoga in both Sama Veda and Sukla yajurveda at least as a temporary measure for one year to begin with.

(3) As the vacations for the pathasala will extend upto May 1937, the new class or classes will have to be opened only from June 1937 and provision therefor will have to be made in the next year's budget estimates from State Funds under "13. Mangrai Institutions — 4 Sree Chamarajendra Veda Maha pathasala" for 1937-38 and there is no necessity for

meeting any cost by sanctioning of Saree grants during the current year as stated by the Hungund commission. In case the class is to be opened in June 1937, and not immediately, there may be the prospect of getting more students (than one) for Sama Veda prayoga also. If allowed correct information about the number of students that are likely to attend the two prayoga classes from June next will be called for from the M.C, so as to ensure the necessity for opening that class also as recommended by the committee

GENERAL SECRETARY
18 FEB. 1937

Sir,

Opening of Samaveda and Sukla Yajurveda Prayoga Classes in Sri Chamarajendra Veda Maha Pathasala, Bangalore.

In forwarding herewith a copy of letter No.118/36-37 dated 7-11-1936 received from the Secretary, Advisory Committee of Sri Chamarajendra Veda Maha Pathasala, Bangalore, I have the honor to state that the Committee have stated that according to the revise curricula of studies for the Pathasala approved in G.O.No.1658/Ku 275-33-4 dated 21/26-6-1934, the teaching of Prayoga in Sama Veda and Sukla Yajurveda has to be provided for, that they did not press the matter on account of the economic depression, and that there is need at present to open these two classes. They have recommended for the appointment of two pupil-teachers on Rs 15 each per month for teaching Prayoga in Sama Veda and Sukla Yajurveda.

2. There are at present, 14 students reading in the Sukla Yajurveda Class and 10 students in Sama Veda Class. Out of these, 3 are desirous of studying Sukla Yajurveda Prayoga and 1 Sama Veda Prayoga. It is said that some more students from outside will join the Sukla Yajurveda Prayoga Class. There does not seem to be much demand for study of Sama Veda Prayoga at present.

3. I request that the proposal of the Committee to open the Sukla Yajurveda Prayoga Class only may kindly be sanctioned for a period of one year in the first instance, the cost involved, viz., Rs 180 per annum being met from the State Funds for which provision

will be made in the budget estimates of 1937-38. The ex
if any, during the year will be met by a re-appropriatior
tioned grants.

I have the honor to be,

Sir,

Your most obedient servant,

M. N. Brandeth

Assistant Commissioner
For Muzrai Commissioner.

ther No.118/1936-37 dated 7-11-36 from the Secretary, Advisory Co
ittee, Sri Chamarajendra Veda Maha Pathasala, Bangalore, to the Muzrai
ommissioner in Mysore.

I have the honor to state that the question of opening Prayoga Clas
in Samaveda and Sukla Yajurveda was considered by the Advisory Committee
at their meeting held on Friday the 17th July 1936 and it was resolved
that you should be requested to move Government to accord sanction for
the appointment of two pupil teachers on Rs 15 each for teaching Prayoga i
Sama Veda and Sukla Yajurveda.

I beg to submit, in this connection, that an important feature of
this institution is to teach Prayoga to ~~xxxxxx~~students, so that they may
serve as Purohits, both in Cities and mofussil places, in the absence of
which, considerable difficulty is being felt in mofussil places. With re
gard to the Prayoga Classes in Rigveda and Krishna Yajurveda, I beg to su
mit that they have been serving a very useful purpose in this line. But
many people belonging to Sama Veda and Sukla Yajurveda have been feeling
considerable difficulty for not getting people trained in their Prayoga.
A Memorial signed by some persons was also received here requesting to
open the Prayoga Classes in Sukla Yajurveda, as well. Though the numeric
strength following those Sukla is small, yet these branches are as
important as the other Vedas, viz., namely, Rigveda and Sukla Yajurveda
Prayoga. The Committee is strongly of opinion that this premier institu
tion in the State established exclusively for the study of Vedas and Pray
oga should provide for the teaching of Prayoga in Sama Veda and Sukla Yaju
veda as well, the course of study for which has already been included in
the syllabus of study sanctioned in G.O.No.1057/Muz.375-33-4 dated, Banga
lore the 21st/26th June 1934. The same were not opened till now for want
of funds and the Committee hesitated to press for the same till now on
account of the economic depression; but now they feel that the need for
opening these classes is great and hope that one will not have to re-
gard to approach you for help in this direction, at least, to the extent
easure for one year to begin with.

I beg, therefore, to request that you will kindly lend your good
support to the proposal and recommend to Government to sanction two
two pupil teachers on Rs 15 per month each for teaching Prayoga in Sama
and Sukla Yajurveda.

I am to solicit kind orders in the matter.
